

H. INTERNATIONAL LAW — 4 ITEMS

67. TRIPS Agreement

WTO agreement establishing minimum standards for IP protection among WTO members.

68. PCT — Patent Cooperation Treaty

Provides an international patent application procedure.

Important: PCT does **not** create one worldwide patent.

69. WIPO Madrid System

International system for trademark registration/management across participating jurisdictions.

70. WIPO Treaty on Intellectual Property, Genetic Resources and Associated Traditional Knowledge — 2024

Very relevant to IP-SAKTI because it addresses patent disclosure related to genetic resources and associated traditional knowledge.
